Introduction

Music at the University of Toronto

The first music instruction at the University of Toronto (then the University of King's College) was offered in 1844, only a year after the founding of the University itself. The first music instructor was also, a few years later, the first bachelor-of-music degree graduate—James Paton Clarke. An affiliated institution, Trinity College, awarded bachelors' and doctors' degrees in music (often *in absentia*) throughout the late 19th century. It was in 1918 that the University created a full Faculty of Music, with Augustus Stephen Vogt as Dean. Dr. Vogt was succeeded by Dr. (later Sir) Ernest MacMillan in 1927. On Sir Ernest's retirement as Dean in 1952, a general reorganization of music studies on the campus led to the setting-up of two departments within the Royal Conservatory of Music (which had been under the University's jurisdiction since 1921): the Faculty of Music for professional and degree-oriented courses, and the School of Music for private and preparatory work. Arnold Maria Walter was appointed Director of the Faculty, a position he held until his retirement in 1968; and Ettore Mazzoleni, Principal of the Royal Conservatory from 1946, continued to head the School of

Music until his sudden death in 1968. In 1953 Boyd Neel was appointed Dean of the Royal Conservatory, a post he continues to hold, adding that of Acting Director of the Faculty in 1968.

In the Spring of 1969 David Ouchterlony was named Principal of the School, and in December of the same year John Beckwith was appointed to succeed Dr. Neel as Dean on the latter's retirement. Mr. Beckwith's duties commence July 1, 1970, since Dr. Neel will be on a year's leave of absence prior to his actual retirement in June of 1971.

The Edward Johnson Building

The Faculty's present home, the Edward Johnson Building, opened in 1962, was named for Edward Johnson (1878-1959), the internationally known Canadian operatic tenor, general manager of the Metropolitan Opera, New York, and (in his last years) Chairman of the Board of the Royal Conservatory. The building is located in the north-east corner of the University's St. George Campus, within easy distance of many of the residences and academic buildings to which music students are connected.

The building contains a lecture-recital hall seating 100, 10 classrooms, 32 studios for individual instruction, 40 practice rooms, and two large rehearsal rooms for orchestra, band, chorus, or opera work. An old-instrument room houses three harpsichords and a clavichord; one of the classrooms is equipped with electronic pianos for keyboard-harmony training. The Electronic Music Studio occupies laboratory space and two large and broadly equipped studios for teaching, editing, and research. The Opera Department presents its productions in the MacMillan Theatre (named in honour of the former Dean), an 815-seat auditorium whose 54-foot-wide stage has an elevating pit, scenic flies, and the most modern lighting and stagecraft facilities. Stagecraft workshops are an adjunct to the Theatre. While the Theatre is used for orchestral and band concerts as well as opera, most of the chamber music and solo recitals take place in the Concert Hall, a smaller, fan-shaped auditorium seating 500. Both halls are in constant use, and have become important centres of musical life on the campus and in the community at large.

The Edward Johnson Music Library occupies the entire third floor of the building. The collection consists of approximately 50,000 books and scores and 70,000 recordings, as well as microfilms, microcards, and tapes, and the library subscribes to about 180 current music periodicals, in many languages. There is also a Rare Book Room containing valuable source materials for research students. Individual study carrels are available, and in the listening room modern stereophonic listening facilities include 25 record players and 20 tape decks. The Library is also equipped with a Xerox machine which may be used to reproduce non-circulating materials for study purposes. As well as the standard microform readers,

the Library has a reader-printer, which produces hard copy from microfilm. Directly off the listening room there are four small study rooms; each contains audio equipment and an electronic piano for trying out scores. Adjacent to the Library and near to its reference collection there is a seminar room.

Study programs offered: a summary

The Faculty of Music offers a variety of specialized study programs.

Instruction leading to the degree of Bachelor of Music (MUS.BAC.) is provided in a four-year program for full-time resident students. The degree may be obtained in any one of five major fields of concentration: Composition, History and Literature of Music, Music Education (Instrumental), Music Education (Vocal), or Performance. Graduates in Music Education who desire to qualify as teachers of music in schools will usually, after graduation, spend a session at a teacher-training institution.

Instruction leading to the Artist or Licentiate Diploma (ART.DIP.MUS. or LIC.DIP.MUS.) is provided in a three-year resident program. The Artist program is designed for singers and instrumentalists who wish to concentrate on performance. The Licentiate program combines vocal or instrumental training with instruction in pedagogy.

Instruction leading to the Diploma in Operatic Performance was offered for the first time in 1969-70. It requires two years of full-time residence, and is intended for an eventual enrolment limited to twenty-five students in both years. The program is designed to prepare students with vocal and operatic experience for professional operatic careers.

The teaching staff of the Faculty of Music provides music instruction in programs offered by other divisions of the University:

The Faculty of Arts and Science offers a three- or four-year resident program leading to the degree of Bachelor of Arts (B.A.) in music. Study of the history, literature, and theory of music is combined with study of humanities subjects including languages, philosophy, history, and fine art. For particulars consult the Calendar of the Faculty of Arts and Science.

The Division of University Extension offers music courses for non-specialists in the evening and in the summer session. For particulars consult the Calendar of the Division of University Extension: Degree Programs.

The School of Graduate Studies, through the Graduate Department of Music, offers programs leading to the following graduate degrees: (1) Master of Arts (M.A.) in musicology; (2) Master of Music (MUS.M.) in composition, or in music education, or in performance and literature; (3) Doctor of Music (MUS.DOC.) in composition (an extra-mural program); (4) Doctor of Philosophy (PH.D.) in musicology. For particulars consult the Calendar of the School of Graduate Studies.

Admission

Admission

Enquiries regarding admission, and requests for application forms, should be directed as follows: (1) Degree candidates should write the Office of Admissions, Simcoe Hall, University of Toronto, Toronto 5, Ontario. Application forms are available in Ontario secondary schools. (2) Diploma candidates should write the Secretary, Faculty of Music, Edward Johnson Building, University of Toronto, Toronto 5, Ontario. (3) Candidates for graduate studies should write the Secretary, School of Graduate Studies, University of Toronto, Toronto 5, Ontario.

Admissions to First Year

Ontario students must present the results of the aptitude and applicable achievement tests offered through the Ontario Department of Education. Other students may improve their competitive position by taking the aptitude test of the College Entrance Examination Board, Box 592, Princeton, New Jersey, 08540, U.S.A.

The first-year enrolment in the Faculty of Music is limited to 100 students.

Candidates for admission to the Faculty of Music's various study programs must satisfy both the general academic and the musical requirements below.

General Academic Requirements

ALL DEGREE PROGRAMS EXCEPT PERFORMANCE

Ontario Grade 13 requirements: Candidates for admission in the fall of 1970 to the first year will be required to offer standing in at least three Grade 13 subjects comprising at least five credits. The specific subject requirements are: two of English, another language, Mathematics, and an optional subject other than Grade 13 Music. An average of 64% is required.

It is strongly recommended that Ontario Grade 13 candidates have Grade 12 standing in at least six subjects (excluding Physical Education). The subjects chosen should include at least five of the following subjects and at least one subject from each of the four groups:

- i** English
- ii** French; German; Greek; Italian; Latin; Russian; Spanish
- iii** History (parts 1 and 2); Geography (parts 1 and 2)
- iv** Mathematics (parts 1 and 2); Science (Physics and Chemistry)

DEGREE PROGRAM IN PERFORMANCE

The requirement for admission to the Bachelor of Music degree program in Performance is the Secondary School Graduation (Ontario Grade 12) with standing as follows and an overall average of 60%:

- i** Compulsory subjects: English, History
- ii** Any three of the following: Mathematics (parts 1 and 2), Science (Physics and Chemistry), Geography (parts 1 and 2), French, German, Greek, Italian, Latin, Russian, Spanish
- iii** One of the following: an option not chosen from **ii** above, Art, Music
Applicants for the Performance degree program who have not completed Grade 12 in Ontario should address enquiries concerning equivalent standing to the Office of Admissions.

ARTIST AND LICENTIATE DIPLOMA PROGRAMS

The general academic requirement for admission to the Artist and Licentiate Diploma programs is the completion of a standard four-year high school course or a satisfactory equivalent.

Musical Requirements

ALL DEGREE PROGRAMS EXCEPT PERFORMANCE

Candidates must either present a set of musical examination certificates as outlined under A below, or sit for a special entrance examination as outlined under B below.

A Candidates for admission to the first year will submit one of the following sets of certificates. At least one certificate in performance must have been obtained within three years of the date of application.

i Grade x piano; Grade ii theory and Grade iii harmony of the Royal Conservatory of Music of Toronto, or equivalent.

ii Grade viii in any standard orchestra or band instrument (other than piano), or organ or voice; Grade vi in piano; Grade ii theory and Grade iii harmony of the Royal Conservatory of Music of Toronto, or equivalent. Candidates may be admitted without the piano qualification, but must acquire it before proceeding to the second year.

B As an alternative to A, above, candidates for admission to the first year will satisfy the examiners at a special entrance examination administered by the Faculty of Music. Application for this examination should be made to the Secretary of the Faculty.

Entrance examinations will be held in May, 1970. Candidates who require examinations in performance are normally examined in Toronto.

Candidates who require examinations in theory and harmony may be examined in other centres in Canada; in such cases the candidate is required to pay the Presiding Officer's fee.

Candidates seeking to satisfy the musical requirements through the special entrance examination should submit all certificates relating to their musical qualifications. A candidate will be examined in each area of performance or theory for which he lacks the relevant certificate. The

examination syllabi of the Royal Conservatory of Music or of other examining bodies should be consulted for guidance in preparing for the special entrance examination. In theory and harmony, candidates will be examined in musical rudiments and diatonic harmony using triads and seventh chords.

Candidates who have participated in school orchestras, bands, choirs, and chamber music groups, and who have been members of community musical organizations will find this experience valuable as a background for university music studies. The practical, theoretical, and historical instruction provided through the secondary school music curriculum provides a worthwhile supplement to private study in applied music. Grade 13 Music will be accepted in lieu of Grade II Theory. Candidates who expect to major in music education are especially urged to participate in the secondary school music program.

DEGREE PROGRAM IN PERFORMANCE

Candidates for admission must pass an audition in their major performing medium. Superior ability in performance is expected. Appropriate music for auditions is listed on p. 17. Auditions are held in Toronto at times listed on p. 9, or, by permission of the Dean, at other centres in Canada. Candidates should write to the Secretary of the Faculty for an audition appointment.

Candidates must have standing in Grade II theory and Grade III harmony of the Royal Conservatory of Music of Toronto or equivalent, or pass a special examination in these areas. Deficient students are recommended to do remedial work in theory and elementary harmony during the Summer previous to their first year.

ARTIST AND LICENTIATE DIPLOMA PROGRAMS

A candidate for admission to the first year of the Artist and Licentiate diploma programs must either **a**) perform an audition program for the purpose of selection by a Faculty of Music auditioning board, and pass an examination in music theory and harmony; or **b**) submit certificates showing that he has completed the practical requirements for the Associate diploma of the Royal Conservatory of Music (A.R.C.T.) within three years of his applying for admission, plus Grade II theory and Grade III harmony or their equivalent.

Auditions are held in Toronto at times listed on p. 9, or, by permission of the Dean, at other centres in Canada. Candidates should write to the Secretary of the Faculty for an audition appointment. Candidates wishing to apply for scholarship assistance must audition in Toronto.

The following suggested short programs are listed to assist candidates preparing for auditions. These programs are for guidance only, and can-

didates may present alternative material of similar quality and degree of difficulty.

Piano: any Prelude and Fugue from Bach's *The Well-Tempered Clavier*; any Beethoven Sonata other than Op. 49; a group of études, a ballade, a scherzo, or other major work by Chopin; at least one 20th-century work.

Violin: any solo suite or sonata, sonata for violin and clavier, or concerto by Bach; any sonata by Beethoven or Brahms; any standard 19th-century concerto (for example by Paganini, Wieniawski, or Bruch); at least one 20th-century work.

Viola, Cello, Double Bass, Harp, Guitar, Woodwind, Brass, and Percussion: Suggested programs may be obtained from the Secretary of the Faculty.

Voice: any Italian baroque aria; any aria by Bach or Handel; any 19th-century operatic aria (for example by Verdi or Puccini); a short group of Lieder (for example by Schubert, Schumann, Brahms, or Wolf); at least one 20th-century work.

DIPLOMA IN OPERATIC PERFORMANCE

Only gifted and professionally oriented performers who are graduates of an acceptable degree or artist diploma program in music of this University, or who have equivalent qualifications, will be admitted. A candidate should have a working command of three languages for vocal purposes. All candidates must present themselves for an audition and interview in April.

Application Procedure

Candidates seeking admission to the Bachelor of Music degree programs must submit the following to the Office of Admissions, Simcoe Hall, University of Toronto, Toronto 181, Ontario:

a Completed application forms.
b Supporting documents including all final secondary school certificates held. These certificates must indicate the subjects studied and grades obtained. If a certificate is not available at the time of application, candidates must indicate the name of the certificate and the subjects included therein, as well as the approximate date when it will be available. A notarized English translation must accompany certificates which are in a language other than English or French.

c Evidence of musical qualifications as outlined on pp. 15-16.
In addition, a student who has previously attended a university must submit the following:

d Official transcripts issued by the university or college previously attended, giving in detail the courses completed, with the standing and grades in each. Transcripts or a supporting letter from the registrar of

the university or college must indicate that the candidate has been granted honourable dismissal and is eligible for selection to the institution concerned in the session for which he seeks admission to the University of Toronto.

e Official statements or calendars giving full information on the content of the university courses covered by the transcripts.

Candidates for diploma programs must submit completed application forms and supporting documents to the Secretary, Faculty of Music, University of Toronto, Edward Johnson Building, Toronto 181, Ontario.

Application Dates

Final application dates for all degree and diploma students are April 1, 1970, for applications for Early Admission, and June 1, 1970, for all other applications. Only in circumstances which the Committee of Admissions deems exceptional will a late application be considered. Only current Ontario Grade 13 students are considered for Early Admission. Students wishing to avail themselves of the Early Admission procedures, which will provide notification of Early Admission after June 11, must ensure that their applications are forwarded by their schools by the final application date.

Mature Students

Candidates of mature age (25 years or older on October 1 of the session to which admission is sought), who have lived in Ontario for a minimum of one year, may request special consideration if they have not completed in full the published Grade 13 (or equivalent) requirements. Candidates applying for such consideration must have obtained at least 66% in a minimum of one Grade 13 or equivalent subject (other than Grade 13 Music) and must meet in full the musical requirements for the program selected.

Candidates accepted as mature students are admitted on probation. Mature students registered in full-time programs must obtain standing in their first year of full-time study in order to have their probationary status removed. If they do not obtain standing, they may not repeat the year or enrol in any other course in the University of Toronto until they present in full the published admission requirements.

English Facility

Candidates whose mother tongue is not English may be required to meet an appropriate standard in a recognized test of English facility such as the University of Michigan English Language Test, the Certificate of Proficiency in English issued by the Universities of Cambridge or Michigan, or the Test of English as a Foreign Language (T.O.E.F.L.).

Equivalent Certificates

The following certificates are usually accepted as equivalent to Ontario Grade 13 although individual subjects cannot always be equated. Candidates offering Senior Matriculation programs from provinces other than Ontario must offer at least five subjects and satisfy the subject requirements specified for the program of their choice. Specific details on subjects and standards required for the program must be requested well in advance of the application deadline.

Courses

The Faculty of Music has recently adopted a revised curriculum structure for the Bachelor of Music degree programs in Composition, History and Literature, and Music Education. The First and Second Years of the program came under the new structure in 1969-70; Third Year programs are available for 1970-71; the entire four-year revision will be in effect, therefore, by 1971-72.

Students entering under the new curriculum are encouraged to plan their programs in advance, with the help of staff advisers. They are expected to complete a minimum of 60 units, at the rate of 15 units (minimum) in each of their four years. Choice of electives should be made with the time-tables in mind; these are available in the spring for the following academic season.

Music electives under the new curriculum will be spaced over the Second, Third, and Fourth Years. Students may choose any music courses for which they have the prerequisites: minimum, 6 units; maximum 22.

Arts and Science electives under the new curriculum will be spaced over all four years of the undergraduate program. Students may choose any Arts and Science subjects for which they have the prerequisites: minimum, 4 subjects; maximum, 6 (each subject taken to count for not more than 3 units of credit). Two subjects must be taken in the First Year; the others may be spaced over the remaining years at the student's option.

If not required to continue Applied Music (Mus. 185, 285, 385, 485) within his chosen major concentration, a student may terminate private study after two years provided he fulfills in examination a reasonable departmental standard. He may elect to continue in Third and Fourth Years the usual half-hour Applied Music lesson. However, a student with a second-class standing in his year may qualify in a departmental examination for one-hour lessons in Third and Fourth Years.

The following schedule lists course requirements for the entire four-year structure, even though in 1970-71 only the First, Second, and Third Years are available. On p. 25 will be found the requirements for the Fourth Year for 1970-71. On pp. 27-34 will be found the course requirements for the Bachelor of Music degree in Performance and for the Artist, Licentiate, and Operatic Performance diplomas. The schedules refer to individual subjects by three-digit numbers. Titles and descriptions of all music subjects are given in numerical order on pp. 35-44. Following each subject number, and separated from it by a stroke (/) will be found the number of units assigned to each subject. Thus "201/3" indicates that Music 201 is evaluated as 3 units. Normally the unit number also represents the number of hours per week the subject meets; but since there are exceptions, the hours are given separately with each subject description.

Organizations, Facilities

Performing Organizations

University of Toronto Symphony Orchestra

The Orchestra rehearses twice weekly under its permanent conductor, Victor Feldbrill. In addition to study and performance of the orchestral repertoire, it serves as the opera orchestra. Readings of concertos with student soloists, and of new scores by student composers, form part of the Orchestra's regular policy. Membership is open to specially qualified non-Faculty students and other members of the University community.

University of Toronto Concert Band

The Concert Band, conducted by Professor Robert A. Rosevear with Professor Herbert Mueller as Assistant Conductor, is an official all-university musical organization. Concerts are presented in the Edward Johnson Building and at other universities. Membership in the Concert Band is required of wind and percussion instrument performers enrolled in the Faculty of Music but is also open to students and staff of the University at large.

Concert Choir

The Concert Choir numbers approximately fifty voices and rehearses twice weekly under Lloyd Bradshaw's direction. Its repertoire includes works from the Medieval period to the present. Several concerts are presented each season both in Toronto and in other centres. Membership is also open to qualified singers from other divisions of the University.

Opera Department

Two or three full-scale opera productions are presented each season in the MacMillan Theatre. In recent years, the repertoire has included Orff's *Die Klüge*, Rossini's *The Turk in Italy*, Debussy's *Pelléas et Mélisande*, Humphrey Searle's *Hamlet* (North American première), Strauss' *Ariadne on Naxos*, and Ravel's *L'Enfant et les sortilèges*.

Chamber Music

Varied classes in chamber music are given: string, woodwind, and brass as well as mixed ensembles including percussion. A Contemporary Music Group and Jazz Workshop both meet regularly, as does a Madrigal Group. The Collegium Musicum specializes in the repertoire of the 17th and 18th centuries, and the Hortus Musicus Torontonensis is devoted to the study and performance of Medieval and Renaissance music. Concerts by these groups are given regularly.

Undergraduate Association

The Undergraduate Association is the official undergraduate organization in the Faculty of Music.

The object of the Association, as stated in its Constitution, is "to promote the interests of undergraduates in the Faculty of Music, to cultivate

relations between the faculty and the student body, to encourage participation of the student body in University activities, and to further goodwill among the members themselves."

The officers are elected annually and consist of the President, the Vice-President, the Secretary, the Treasurer, the Students' Administrative Council representative, and an Executive Committee composed of members representing each year and course. One member of the faculty is chosen annually by the officers of the Association to act as an adviser.

Each undergraduate class annually elects a representative to sit on the Student-Staff Liaison Committee, made up of nine students and four staff members. This Committee offers an opportunity for greater rapport between staff and students.

Information Office

Concert engagements outside the Faculty, for students and recent graduates, are arranged through the Information Office. Requests are filled for oratorio and other soloists, choristers, organists, accompanists, and musical performers in all categories. The Office also fills teaching engagements, and provides assistance in securing summer employment.

Special Events Series

A monthly program of chamber music concerts, this series is currently in its 16th season. Soloists and smaller ensembles of international calibre from Europe, the United States, and Canada are featured in the only regular chamber music series in Toronto.

Thursday Afternoon Series

Each Thursday afternoon during the academic year the Faculty of Music presents a series of lectures and recitals by staff members and visiting artists as well as by student groups. Programs are held either in the Edward Johnson Building at 2 p.m. or in Eaton Auditorium at 1.30 under the auspices of the Women's Musical Club. All programs are open to the public.

Colleges

With the establishment of New College and Innis College, which are open to students of all faculties, it is now possible for students of the Faculty of Music to become members of a college. Membership in a college is not obligatory, and application for membership is at the option of the student.

Students entering the First Year will receive application forms for college membership along with their offers of admission to the Faculty. Those interested in college membership should return completed forms with their letters of acceptance and tuition deposit. A college fee of \$15 is required of all students accepted for membership.

New College

New College is a multi-faculty co-educational college. In addition to students from the Faculty of Arts and Science those from other Faculties and Schools are eligible for membership. This gives students from all divisions of the University the opportunity to participate in the activities of a college and to associate with students in other fields of study. Tutorial classes are provided for First Year students in some subjects.

New buildings, centrally located on the west campus, provide academic, social, and dining facilities for all members of the College and in addition accommodate some 675 men and women in residence.

Students applying for membership in the College who wish accommodation in the Residence must apply on the prescribed form which may be obtained from the Dean of Men or Dean of Women, New College.

Innis College

Innis College is a multi-faculty college of the University of Toronto, and includes undergraduate students in all Faculties and Schools.

A special feature is the Writing Laboratory. This service offers assistance to Innis College students in the skills and methods of writing essays and other academic reports. A staff of experienced teachers is available to give individual instruction.

In September 1969, Innis College introduced experimental courses which focus on contemporary themes and problems.

The College has limited residential space available in houses on campus. Separate application for residence accommodation must be made directly to the Residence Co-ordinator of Innis College.

Students entering First Year will be invited to apply for membership after they have been accepted into their Faculty or School. Students entering the Second to Fourth Years who wish to join the College should obtain an application form from the Registrar, Innis College, University of Toronto.

Regulations

Detailed instructions concerning Registration and Health Requirements will be mailed to returning and newly admitted students before the beginning of each academic year.

Registration

Each student should register in the Edward Johnson Building on September 14-17. After September 17, a student can register only on approval of a petition to Council. There is a late registration fee of \$10. All students registering for the first time should be prepared to have the following auditions and tests during the registration period to assist in class and teacher assignment:

APPLIED MUSIC. A placement audition on the instrument (or voice) in which the student wishes to major in the course. Accompanists will be provided for singers and orchestral and band instrumentalists.

KEYBOARD FACILITY AND SIGHT SINGING. Placement tests will be given before assignment of students to their classes. A student without previous keyboard training may defer taking Mus. 104 or 105 until his second year on the recommendation of the instructor. In such cases Mus. 204 or 205 will be taken in the third year.

THEORY. Placement tests for assignment of students to Materials of Music classes. Review of musical theory and rudiments is recommended for all freshmen prior to registration.

Transfers and Withdrawals

A student wishing to change his course in the University should consult with the Secretary of the Faculty. Transfers to another curriculum are permitted up to the fifth week of classes. A student may withdraw from the University up to the 15th of February without having his year counted as "failed."

Artist and Licentiate Diploma Programs

Diploma students in piano and voice will pursue either the Artist or the Licentiate program. Students playing a successful examination at the end of the first year will be eligible to proceed to the second year of the Licentiate program. Students choosing to present a recital as well as playing a successful examination at the end of the first year will be eligible either to proceed to the second year of the Licentiate program, or, if recommended by the Dean, the second year of the Artist program. A transfer between the Artist and Licentiate Diploma programs in the second and third years is not permitted. A student may not enrol simultaneously for the Artist and Licentiate Diploma programs in the second and third years.

A student who has completed the requirements for the Licentiate Diploma may, if recommended by the Dean, perform two recitals in a

post-graduate year for the purpose of qualifying for the Artist Diploma. This option applies only to students who entered the Artist and Licentiate Diploma program in the session 1966-67 or thereafter.

Diploma in Operatic Performance

Each candidate will work out his program individually with a staff adviser. Subjects preceded by an A are required subjects. Students must have standing in those preceded by a B, before graduation. In subjects preceded by a C, instruction will be available as needed.

Candidates will be expected to complete all requirements of the two-year program, and their performances in operatic productions and classes will be graded by Faculty examiners as With Distinction, Satisfactory, or Unsatisfactory.

Elementary Music Option

In the third and fourth years, students majoring in Music Education may choose optional subjects which provide specialized instruction appropriate to a career as a teacher or supervisor in the elementary schools.

Applied Music

Individual instruction in voice or on an instrument is given to all students in the Faculty of Music. The cost of this instruction is included in the University tuition fees.

During the registration period students will be auditioned for assignment to an applied music teacher and for membership in the various performing organizations. Assignment to teachers and choice of performing medium are at the discretion of the Dean.

Attendance and Discipline

A student whose attendance or work is deemed to be unsatisfactory may have his registration cancelled at any time by the Council of the Faculty. The Council of the Faculty may also recommend to the Senate Committee on Admissions that the student be debarred from the University. The Council of the Faculty may refuse to re-admit any student who on two occasions fails to secure standing in his year. The Council may suspend a student from attendance in the Faculty of Music for a given period of time not exceeding two years for unsatisfactory work. Upon satisfying the conditions of the suspension the student shall be entitled to re-enrol in the Faculty. Students are referred especially to the following sections of the Calendar: Examinations, Standing in the Year, and Standing in a Subject.

Health Service

Clinical, Psychiatric, Athletic Injury, and Infirmary services are available as outlined in the Health Service brochure.

Medical examination is required of all undergraduate women in their

first year of attendance at this University and of any student, annually, before participating in organized or competitive athletics.

VACCINATION against Smallpox at the Health Service is required before October 15 unless a certificate of successful vaccination within the previous three years is produced.

CHEST X-RAY FOR TUBERCULOSIS is required of all students in their first year at this University, unless they produce proof of a normal chest X-ray or a negative reaction to Tuberculin skin testing within the previous six months, and is required annually of all students whose domicile is not in Canada.

Physical Education

Each first-year female student must register for and satisfactorily complete the required program in Physical Education. Any student, unless exempted, who does not satisfactorily complete the Physical Education requirement before advancing to the second year of her course shall either (1) register for and satisfactorily complete the requirement before the end of the second year of her course, or (2) pay an additional \$50 in February of the session in which she is registered in the second year.

First-year women in the Bachelor of Music Degree program in Performance and the Artist and Licentiate Diploma programs are exempt from Physical Education.

Examinations

Annual examinations take place at the University in April and May. Applications must be submitted to the Secretary of the Faculty by January 31.

Supplemental examinations will be provided in August for candidates who are conditioned. These are held in Toronto and at the following centres: Vancouver, Edmonton, Calgary, Saskatoon, Regina, Winnipeg, Kenora, Port Arthur, Sault Ste. Marie, Kapuskasing, North Bay, Kirkland Lake, Windsor, London, Kingston, Ottawa, Montreal, Quebec, Fredericton, Halifax, Charlottetown, St. John's (Nfld.). Permission to write at one of these centres must be requested when submitting the examination application. Candidates at outside centres will be required to pay the Presiding Officer's fee. Applications for the supplemental examinations must be sent to the Secretary by July 1.

Supplemental examinations in Sight Singing, Keyboard Harmony, Conducting, Instrumental Class, Applied Music, and other subjects requiring individual performance will be provided in Toronto only, and held early in September.

Students are cautioned that, in subjects where standing is granted on the basis of a term mark only, supplemental examinations are not usually provided. Failure may make it necessary to repeat the subject during a subsequent session.

If a condition is not removed after two consecutive examination periods

(regular and supplemental), a student must re-enrol in the subject, earn a new term mark, and subsequently pass an examination.

Students who, in the session 1962-63 or previously, were conditioned in a subject at the regular or supplemental examinations, will be given only one further opportunity to remove this condition without re-enrolling in the subject. In those cases where a term mark is required and the student fails to remove the condition after this one opportunity, he will be required to earn a new term mark before re-writing the examination.

In cases where a subject is no longer offered by the Faculty of Music or where the content of the subject has changed, the applicant will be given only one opportunity to write an examination based on the requirements in force at the time of the original examination. If the subject has not changed fundamentally, students will be expected to write a supplemental examination based on the requirements currently applicable to that subject.

Applied Music Examinations

Each student in the Degree program in Composition, History and Literature, and Music Education will have an annual performance examination in his or her applied music field. Each student in the final year will be expected to demonstrate a high level of musicianship in his chosen area of applied music studies.

Students in the Bachelor of Music Degree program in Performance and in the Artist and Licentiate Diploma programs will be expected each year to prepare for examinations in performance and to present a recital or recitals or equivalent major performances, according to the indications given below.

Recitals

Students in performance and diploma programs will perform recitals as part of their requirements. Details are given with the listing of requirements, pp. 27-33. Fourth-Year performance and Third-Year diploma students may substitute a second recital for their major chamber, orchestral, or operatic performance.

Standing in the Year

To obtain standing in any year, a candidate must receive an average of 60% in all subjects. The average is to be obtained by weighting each subject in accordance with the number of weekly hours. A candidate may write any number of supplemental examinations provided his year's average is 60% or more.

A student who obtains first class honours in the final year of his course will graduate "with honours."

A student failing to obtain standing in a year's work will be permitted to repeat the year only once unless special permission is granted by the Council. A student who has failed his year need only repeat subjects in which he received less than second-class standing. Subjects in which the

student received second class, or better, standing will count as earned credits towards his degree.

For students in the first three years of the Composition, History and Literature, and Music Education degree programs, attention is drawn to the prerequisites listed with individual course descriptions in this Calendar (pp. 35-44). Candidates conditioned in prerequisite subjects may find they are unable to enrol in a full program of their next higher year until the condition or conditions are removed.

In the Performance degree program and the Artist and Licentiate diploma program, a candidate who is conditioned at an annual examination in a subject indicated in italics on pp. 27-33 must obtain standing in this subject at a supplemental examination in order to be eligible to graduate or to enrol in the next higher year. Only one non-italicized subject may be carried as a condition into the next higher year.

Standing in a subject

To receive credit in any music subject, a candidate must obtain a final or supplemental examination standing of at least 50% of the examination marks and at least 50% of the aggregate of the term and examination marks.

Degree students are referred to the regulations of the Department of English concerning the necessity for obtaining satisfactory standing in essays to receive credit in these courses.

A student who has been granted credit in a prescribed subject in the regular curriculum may petition the Council for permission to substitute another subject in its stead.

A student who has been granted exemption from one or more prescribed subjects in the regular curriculum, is normally granted only "pass" standing in the year in which the exemption is in force, regardless of the standing to which he would otherwise have been entitled on the basis of his overall average.

Aegrotat Standing

If a student wishes to be considered for aegrotat standing in any examination on account of sickness, domestic affliction, or other causes, application must be filed with the Secretary before the close of the annual or supplementary examination period together with a doctor's certificate or other evidence.

Performing Engagements

During the academic year, Diploma and Performance Degree students must obtain permission in writing from the Dean before accepting professional engagements or taking part in musical activities not connected with the University.

Financial aid is not available to students in cash prior to registration, although the value of awards is applied against fees.

A BURSARY is an award to a student who can show that financial assistance is needed in order to proceed with his education. He must, of course, also show that he is capable of benefitting from further education, although the academic standard required is normally not as high as that needed for a scholarship.

LOAN FUNDS are available to students who wish to use them to provide emergency financing or additional funds above any scholarship or bursary. The student must complete a formal loan agreement with the University or other lending body.
